

## BEV85 Air Compressor

The all new Lancer BEV85 Air Compressor is super quiet with class leading performance for maximum reliability. Ease of service and full certification ensure the safety of all users.

### Product Features

- Super Quiet Oil Free Operation
- Automatic Condensation Removal
- Fail Safe Overload Protection
- Motor Winding Thermal Cut-out
- Comprehensive Manual and Service Support

### Product Options

- 80000203 - Wall Mount Bracket
- 80000204 - Complete Service Kit

### Product Specifications

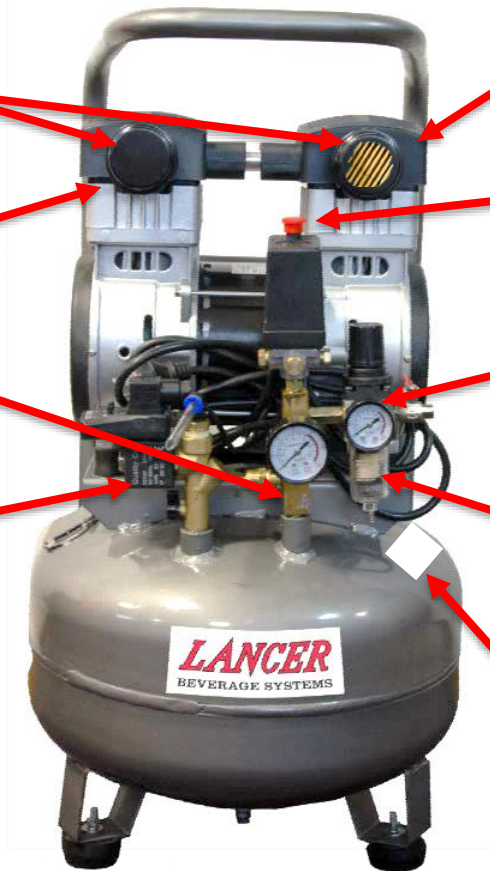

- **Dimensions**  
Width: 385mm  
Depth: 385mm  
Height: 580mm
- **Weight**  
Assembled: 25kg
- **AC Supply Voltage**  
230V/50Hz, 6.2Amps
- **Motor**  
1500 Watts
- **Noise**  
52 dBA
- **Cylinders**  
2
- **Max Ambient Temperature**  
40°C
- **Free Air delivery**  
175LPM  
(Per AS4637)
